Flag day is June 14th! A special thank you to Rita Minutelli for securing a new flag for our flag pole, located opposite "S" building. We have been thru so many dark times the past few months. It gives us hope to see that American Flag flying.

This is America, land of the free, home of the brave! We in this country have all been very brave and will get thru this! As we approach Flag Day, 4th of July is not very far away. It will be very different this year. Regardless, we will be decorating for the fourth and remembering that our fore fathers, friends, relatives and maybe even yourself, fought for our freedom. They are all Heroes!

New heroes emerge as we fight this pandemic, nurses, doctors, teachers, senior centers providing food, food pantries and many more! WE have all come together to help those in need.
