STAY WELL

STAY HOME

We care about our residents!

We are here

Monday-Thursday 8:00 - 3:30

Please call if you need anything. My staff has agreed to work onsite; I cannot thank them enough!

You are all the most vulnerable population.

Protect yourself!

Wear a mask, wash your hands, if you are ill, call your doctor and family!

A Special Birthday Wish to Arthur Medeiros who turns 100 years young on May 10 ! CHEERS!

Gina Raimondo issued an executive order on April 14, 2020, that everyone must wear a mask if you are going out. It has been reported residents are not wearing masks in our laundry rooms.

Please wear a mask when you go out and please limit your company, or have no company at all. Overnight company is not permitted at this time! If you would like a fabric mask call 253-2310. We have the paper masks in the office. Call us if you would like one. You should be keeping a distance of six feet away from other people. Please, if you are sitting on a bench, adhere to the 6-foot distance.

All of this information is for your benefit and the benefit of everyone else, too.

Anyone that has their social security direct deposited into their account will get a stimulus check direct deposited automatically. You can go to the IRS website [IRS.gov](https://www.irs.gov) for further information!

All events are cancelled until further notice. Our 50th anniversary celebration has been postponed until the fall.

Shout out to our maintenance staff who are out there risking their health. Thank you to all my staff for being on site.

We will get through this as long as we work together and follow the rules!!!!

A special shout out to the Senior Center's Maria Ursini and Donna Wilson for supplying lunches for the Seniors and all their support! Also, to Mike DeMello the Fire Chief for all his help.

Stay Safe! ~Candy
